HOW IT WORKS

If you have chosen our pick and mix packages then all items in this brochure is free to use. Have a good look through and then we will have a chat in your consultation and from there decide on your wedding styling.

I then get to work creating your look book so you and all your suppliers have a clear vision of your day. This will also include any extra little bits we may need to make or hire. You will receive a list of all items 4 weeks prior to your event that I will be bring along.

I am then there on the day or night before setting up and making sure your vision come to life. I am always there on the day also for any change overs and to light candles and last minutes bits that needs doing. I usually stay until you sit down for your wedding breakfast.

Then we are on hand to clear it all away so you can enjoy a stress free start to your married life together.

I make contact with all creative suppliers on the day to make sure we work together on the same vision.

Any questions send me an email!

Frequently asked questions

Can I see the items before ordering?

Yes, we have a showroom you can book a consultation and see items. We also do wedding fayres where you can always book a quick chat and I can bring certain items if you get in touch beforehand.

How soon do I need to book?

We always recommend booking as soon as possible but we can sometimes fit in last minute bookings, especially for hire only.

Why is the deposit £200?

We do a lot of work early on with your look book and venue visits and designing your day so the deposit allows us to get to work quickly.

Can I really have unlimited items from the brochure?

Yes, choose what is needed and we will bring it all along and set it all up perfectly.

Can I have items personalised or made bespoke?

Yes, we love to personalise. Get in contact to discuss further.

When do I need to pay?

A £200 deposit is due to book your date and then the rest 6 weeks prior to event.
